Introduction

WeRateDogs is a Twitter account that rates dogs' picture with a nice comment twitted by users. It was started in 2015 by Matt Nelson and has received international media coverage both for its popularity and for the attention drawn to social media copyright law when it was suspended by Twitter. As of October 2017, the Twitter account has close to four million followers and Nelson sees 30,000 likes on a post as being viral. His most popular post was of a dog marching in the 2017 Women's March, which was retweeted more than 50,000 times and favorited 134,000 times [[ref 1](#)].
